Connect & Serve Committee Showcase

After worship in Great Hall

What if finding your place in the life of our church were as simple as walking around a room and having a few conversations?

On **Sunday, September 27**, we're going to try something new: a **Connect and Serve Committee Showcase** immediately following worship in the Fellowship Hall.

The idea is simple. Each committee or ministry that has registered to participate will have a booth where one or two people will be available to talk with you about what they do and how you might get involved. This event is particularly important to our church now that the Nominations and Leadership Development Committee is not nominating for many of the roles on our 31 (!) committees.

At each booth, you'll be able to learn:

- **What the committee or ministry actually does**
- **What kinds of volunteer help are needed**
- **Upcoming activities and opportunities** you could participate in
- **Ways to get involved**, whether you have an hour, a particular skill, or simply an interest in learning more

The Showcase will last approximately **30–45 minutes**. There's no formal presentation and no expectation that you sign up for anything. Think of it as a chance to wander around, ask questions, meet people, and discover some of the ways our church is putting our faith into action.

So please plan to join us in Great Hall after worship on September 27. Grab a cup of coffee, walk around, and see what catches your interest. You may discover a ministry you didn't even know existed—or meet a group of people you'd love to work alongside.

We hope you'll come curious and leave with a new connection to the life of our church.

Come see what's happening. Find something that matters to you. And perhaps find your place at the table.
