## BIBLE STORY COLORING PAGES

Thank you for your purchase of our Bible Story Coloring Pages. Illustrated Ministry offers year-round worship resources for the Revised Common Lectionary. In addition to Bible Story Coloring Pages, we create RCL-based weekly Illustrated Children's Moments, complete with leader guides and hand drawn artwork, and Illustrated Children's Bulletins for worship, sold separately.

These illustrations are based on Bible stories from the Revised Common Lectionary and provide children with an engaging way to connect with scripture.

## USING THESE RESOURCES AT HOME

While our Bible Story Coloring Pages were initially created for churches, the included resources can also be used as faith formation tools at home. The coloring pages are a great faith formation tool to have around the home for all ages who love to color and reflect on their faith.

As you use these resources, we would love to hear what was helpful and meaningful, as well as any suggestions and comments you have for us. We want to continue to create quality faith formation materials and appreciate your feedback.

## BEST PRACTICES FOR SHARING ILLUSTRATED MINISTRY'S RESOURCES

Thank you for making this purchase from Illustrated Ministry. We are grateful you have chosen our materials to support the faith formation of you, your family, and your congregation. We make our products available digitally because our customers find this method to be the best and quickest way to receive our products. To continue to make the quality products you know and love from Illustrated Ministry, we ask that you are careful about how you share your digital file purchases.

As you use these worship resources, there may be times that you want to share files with teachers, volunteers, and families. We've found that there are three good ways to share our files with your community.

**Email:** Depending on the size of your congregation, you could email files to people who are interested in them. Another option is to put an announcement in your bulletin, asking those interested in receiving the files to email the person with access to the resource.

*Note: Do not include links to download or attachments of our files in any emails/newsletters that are posted publicly online with services like Mailchimp, Constant Contact, because those become searchable by Google and the files become accessible to the general public.*

**Posting Online:** We do not want the general public to have access to our products free of charge. We discourage posting our files online because they become easily accessible through Google searches. However, one option is to put the files on a password-protected page of your website, or use a private Facebook Group. Please remember to take the files down after you've finished using them.

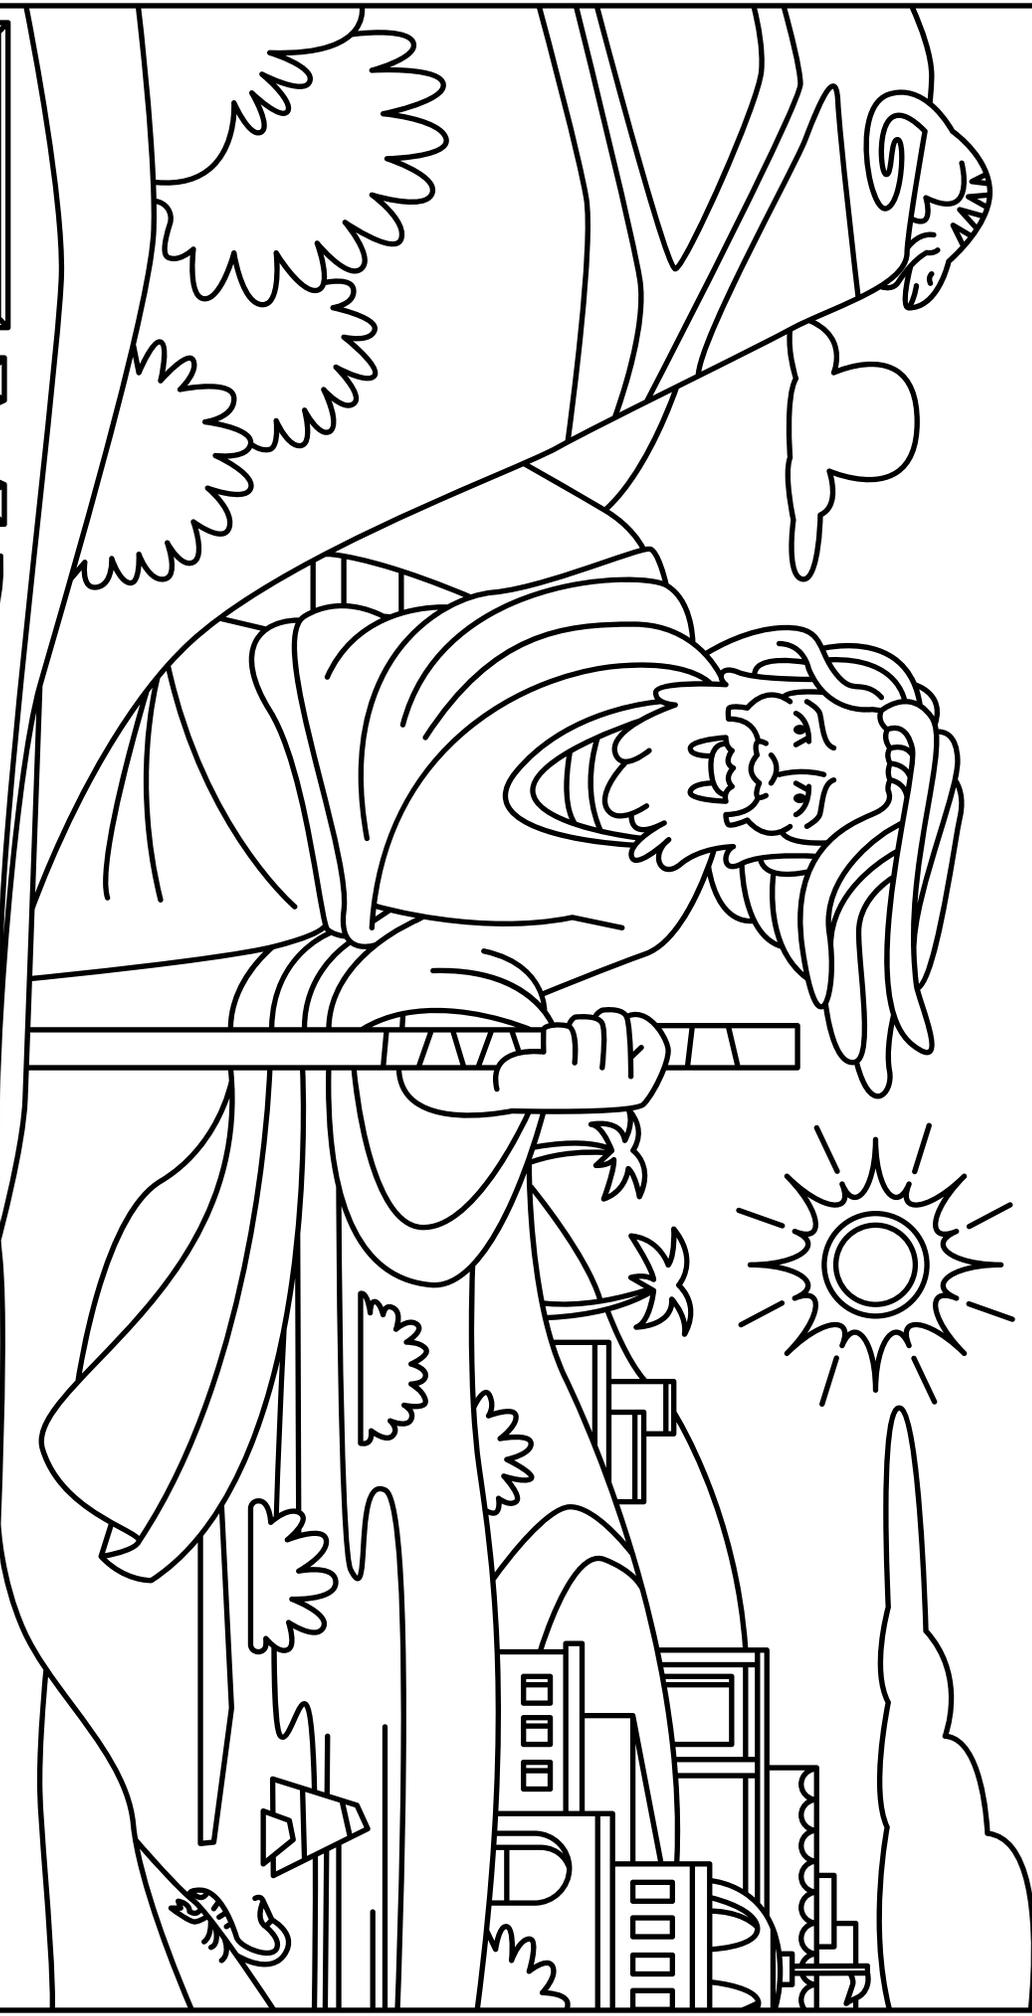

*Note: Do not post the password in your bulletin or newsletter that gets posted publicly online.*

**Print:** Most congregations who purchase our digital files choose to print out the materials for their community. Printing out the materials is probably the easiest way to share the Illustrated Children's Moment Leader Guides with whoever is going to use them. We also encourage printing out the color illustrations to share with children during worship.

Thanks for understanding, and we appreciate your support!
